July 2018

Words from our Crew President: Sam Sandoval

Hey Crew 316,

It's finally July!! This marks our 7th month as a Crew. We now have been together for more than ½ a year which is incredible. This past month was super awesome. We kicked off our Summer with a River Rafting Adventure in the Mountain environment. We drove up to Kernville, California to do some white water rafting, which was splendid. Then, we had later in the month our first Crew 316 Escape Room Night which was pretty rad. Overall, the direction of this Crew is so great. I thank God for this wonderful team of young adults that are passionate for living for God, but also having fun adventures as one unit. I'm thankful for all of your interest, support, and commitment. Thank you all for this wonderful 7 months we have had. I can't wait for what God has in store.

Yours in Scouting,

Samuel Sandoval

Crew Advisor Minute: Mr. Jim Blackie

Hey Crew 316,

What a amazing trip we had river rafting! Our campsite was beautiful and our time on the river was fun and exciting! The Star Wars "Solo" movie was a great way to wrap up the day!

You guys did a fantastic job at the "Escape Room! Thanks to you all for being a great group to work with, and thanks to the Lord for all His Blessings!

Sincerely, Mr. Blackie

The River Rafting Trip was incredible from the beautiful scenery on the drive up to the raging waters in which some of us were “baptized”. Though one thing stood out from everything else was the amount of time and effort it took to plan this outing. So I want to acknowledge Mr. Blackie along with all of the adults for driving us and preparing grub for that weekend and our Crew President, Sam Sandoval for doing the bulk of it. If it wasn't for his idea and preparation for this trip I wouldn't have had this much of an enjoyable experience rafting with the crew.
