Crew Advisor Minute: Mr. Jim Blackie

Hey Crew 316,

I thought our Kern River Trip was fantastic! We had some cool instructors and some serious whitewater! I also enjoyed our tour of the ghost town as we came into town and pizza as we were heading out of town. As I mentioned on the trip, it's been an awesome privilege to work with such an amazing group of young men. You guys are a gifted and talented group, and now Josiah has joined the ranks of Crew316 who are also Eagle Scouts! (I admit, I'm a proud papa!) I'm confident that there is hope for a better world and that God's kingdom will be strengthened when I see men of your character being launched into the future! I hope you will use your leadership skills to honor God and help with His work in the world! Speaking of the future, you all know that I'm turning the "Advisor" mantle over to Mr. Stites. He has been Cubmaster, Scoutmaster, and I know will do an outstanding job as Crew Advisor. I'll still be around to help him and you guys to have the best Crew in Orange County. So remember our motto, "Lead the Adventure." And remember our Crew Verse, Ephesians 3:16, I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being.

Sincerely,

Mr. Blackie

What's Going on in Crew 316:

River Rafting Adventure: Round II

Last year, the River Rafting Adventure was the highlight of our year. This year, the high adventure challenge was made even more challenging with 40° waters and thunder storms. On top of that, this time around, we were going on level 4 and 5 rapids. Besides the high adventure part, we had a great time at the ghost town, Silver City. Overall, this trip was once again, the highlight of the year.
