October 2018

Message from Our President: Samuel Sandoval

Hello Crew 316,

Can you believe it's October! Wow this year has already gone by so fast!! It is finally the season of autumn where the leaves fall and the heat slowly dies down, hopefully. We do have some upcoming recruiting opportunities we would love for you to come to! We also have some reminders like recharter and others! Please follow them. As you go about your weeks, I want you to not forget that we are one unique Crew. As we also continue as a Crew I want all of you members to kind of begin reflecting on this year because it was been one great year. For me, this has been one great year, and we have created a unique bond as brothers in this Crew. A bond that I have never really felt with other leadership activities and groups I have been part of. Having this Crew in 2018, has by far been one of my most memorable moments of the year! This bond, and family really has made this year so great! I hope you all can remember all the great things that have happened this year!!

Yours in Scouting,

Samuel Sandoval
